

Sports Carnival

On Friday it's Sports Carnival. I will wear my red House t-shirt, black shorts and my sports cap. I can bring my lunch or buy it at the Carnival canteen.

After Roll Call I will catch the bus to the Sports Ground with my class. I will sit in the stands and cheer for Red House.

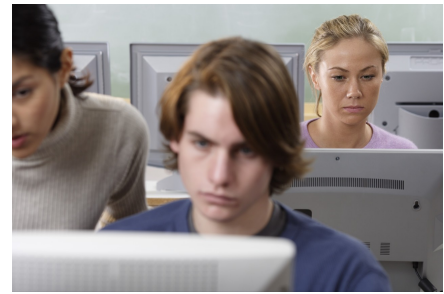

Andrew and Gavin will be sitting in the Red House section of the stands too.

I can have a go in my age races and events or just watch.

There will be a starting gun and lots of people will be talking. If it gets too noisy I can listen to my iPod.

I can also help Mrs Johnson at shot-put, or Mrs Fisher in the computer room. Mrs Fisher will be entering people's names and running times into the computer.

If I want to leave the stands I need to let the teacher in charge of Red House know where I am going and when I will be back. When the Carnival is over I will catch the bus back to school. Then I will catch my normal bus home.
